ELECTRIFIED TRACK SYSTEM FOR STORE DISPLAY FIXTURES

RETHINK RETAIL.TOGETHER.

Nano 2

System

Customisation and flexibility in mass market retail: a complete plug-and-play lighting solution for store display fixtures.

The system features a versatile electrified track and high-efficiency, low-consumption LED lamps that can be easily integrated into existing facilities and display solutions. These lamps can be safely and quickly repositioned without affecting the display's aesthetic appearance.

IDEAL FOR

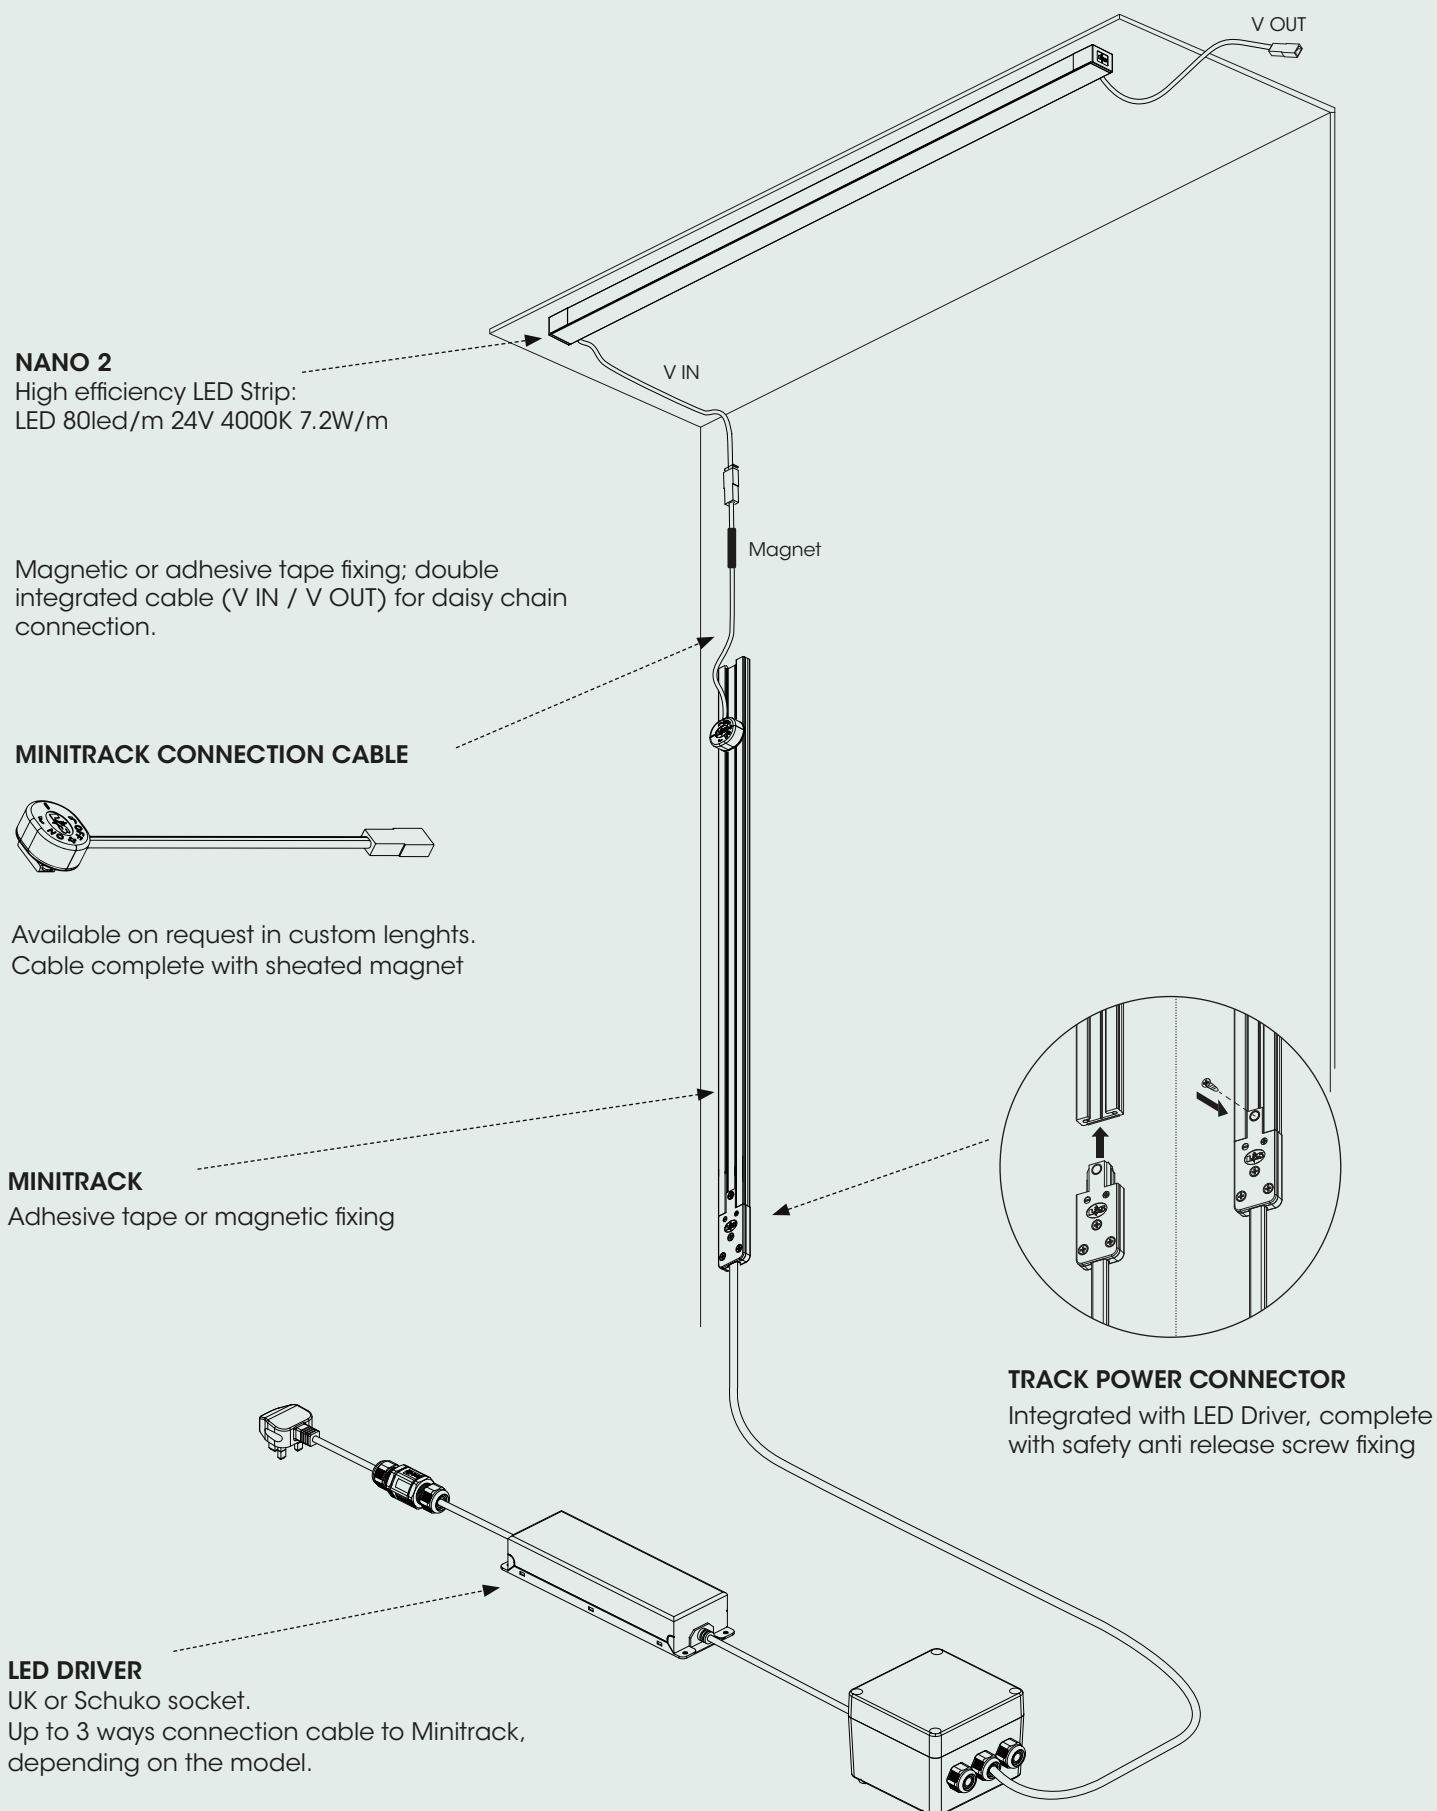

- mass market retail
- perfumery
- pharmacy
- food stores

The magnetic fixing feature makes Nano 2 System the ideal solution for metal display fixtures, while the wide range of high quality power supplies makes the system even more adaptable to every need.

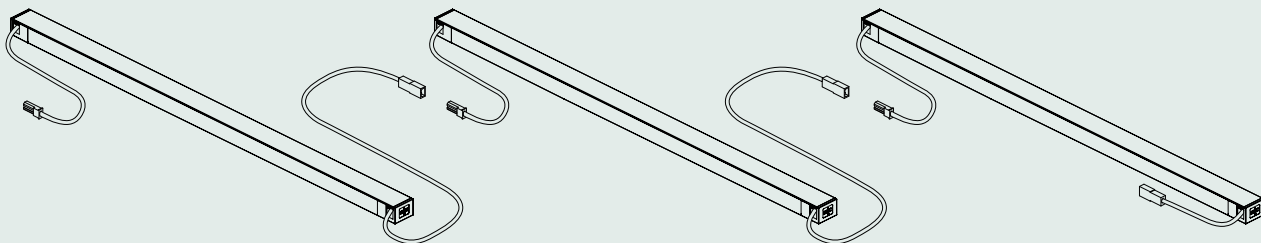

FEATURES

- Energy and cost saving
- easy installation
- ideal for existing facilities

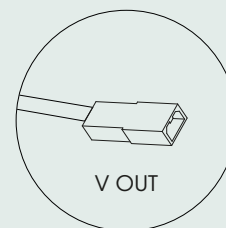

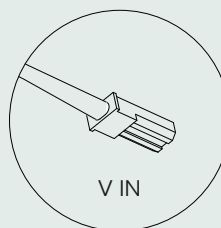

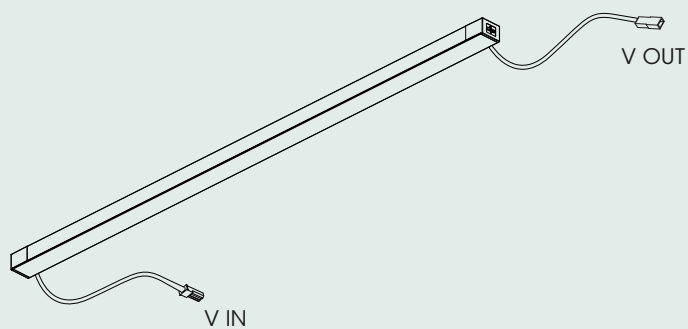

System overview

NANO 2 Lamp
DAISY CHAIN

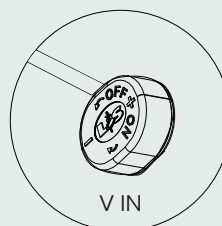

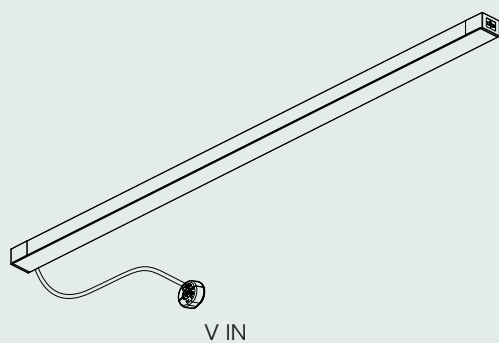

NANO 2 Lamp
